APRIL 14, 2009

American Cancer Society's Request For Waiver

The American Cancer Society Baldwin Hills Relay for Life Group will host a two part event at the Kenneth Hahn State Recreation Area, the Relay for Life Kick-off on Saturday, April 18, 2009 and the actual Relay for Life 24-hour walk on Saturday through Sunday, June 27-28, 2009. The event brings together the Baldwin Hills area communities and friends to participate in a family-oriented event to raise public awareness about cancer. The event celebrates cancer survivors, remembers loved ones lost to the disease, and educates the public in an effort to fight back against cancer.

I THEREFORE MOVE that the Board of Supervisors waive the facility use fees, excluding the cost of liability insurance, for the total amount of \$1,564.00 for the use of the Kenneth Hahn Recreation Area for the American Cancer Society Baldwin Hills Relay for Life Group's Relay for Life Kick-Off on April 18, 2009 and for the Relay for Life event on June 27-28, 2009.
